

Runs/Scales

Technique: Sing stepwise note-patterns at a medium-fast to fast pace.

Benefits: Develops agility by training the vocal muscles to respond quickly and in a coordinated manner.

♩ = 108

D- B \flat F C

Nee _____ Nay _____ Noh _____ Noo

Staccato Exercises

Technique: Sing short, detached notes on a single breath, letting your air out a bit at a time. Staccato notes can be repeated single notes or in arpeggio or scale patterns.

Benefits: Develops agility and breath control requiring quick adjustments of the vocal cords. Staccato notes are to be sung lightly and articulated on the breath.

Staccato ♩ = 76-96

D- B \flat F C

Hey hey hey hey Hah hah hah hah Hey hey hey hey Hoo
